Dave,

We included most of the appendices (less the TAL data packet) for your information, but most of these can not be edited, etc... blank forms, completed COC form, etc

The report itself is very short but we hope it has sufficient detail per your needs.

John

Correction: I received 5 pdf, 3 MS Word, and 2 MS Excel files. Not sure if I need more or less caffeine this morning.

John,

I have received the draft USGS Administrative Report on Pavillion MW02. Ten files (5 pdf, 4 MS Word, and 1 MS Excel) were contained in the email that was in my inbox this morning. We will look over and provide comments tomorrow.
